Abstract

OBJECTIVE:

To observe the therapeutic effect of acupuncture and moxibustion on chronic pelvic inflammation.

METHOD:

Thirty-six cases of chronic pelvic inflammation were treated with acupuncture, the ancient recipe of Long Dan Xie Gan Tang (Decoction of Radix Gentianae for Purging the Pathogenic Fire of the Liver) and medicinal cake moxibustion.

RESULT:

The treatment resulted in cure in 9 cases, obvious effect in 16 cases, effect in 7 cases and no effect in 4 cases.

CONCLUSION:

Acupuncture, moxibustion and the ancient recipe Long Dan Xie Gan Tang used together can enhance the therapeutic effects on chronic pelvic inflammation.
